TO THE GRADUATES OF 1959

It has long been our belief at St. Mary's that our students are not preparing for living but rather that they are already very much a part of life. We have sought first to build a truly stimulating environment and then we have encouraged you to seek as needed the academic and personal guidance provided within this educational community.

Let us hope that your experiences here, the decisions made in encountering them, and your subsequent evaluation of the rightness or wrongness of your decisions may have helped you to develop a firm and understanding basis for meeting future problems in living.

Throughout your lifetime may each of you have in some reasonable degree "the Serenity to accept the things you cannot change, the Courage to change the things you can and the Wisdom to know the difference.

June, 1959

MAY RUSSELL

ALMA MATER

On the banks of blue St. Mary's--near Potomac's
strand,
Stands our dear old Alma Mater--best school in the
land!

Built of bricks from the first state house--near the
mulb'ry's shade

Where Lord Calvert with the Indians once a treaty
made.

Like a beacon by the river, stands she grandly hold,
Giving knowledge to her daughters--worth more
than pure gold,

Age and fire cannot destroy her--(She has stood the
test)--

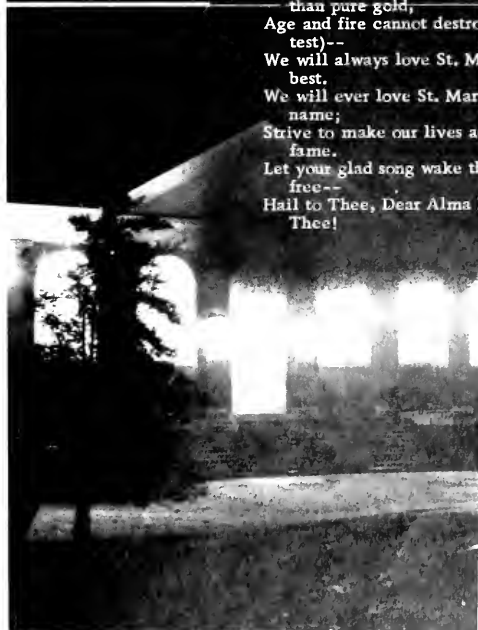

We will always love St. Mary's--she deserves our
best.

We will ever love St. Mary's--love to praise her
name;

Strive to make our lives add luster to her glorious
fame.

Let your glad song wake the echoes, sing with voices
free--

Hail to Thee, Dear Alma Mater! --Hail, all hail, to
Thee!

THE SENIOR GRADUATES OF 1959

THE SOPHOMORE GRADUATES OF 1959

SENIOR CLASS HISTORY

It was on a rainy Monday that our class entered the portals of St. Mary's Seminary Junior College for a wonderful two years. Our first few days flew by with many, many questions to be answered. However, when the old girls arrived, we were lost again--How could we possibly learn all the names? It wasn't long though. Having accomplished the trials and tribulations of 'Rat Week,' we felt that we were well on our way to becoming "Sem-Fems." We elected for our class officers: Beverly Stanard, President; Kathy Lore, Vice-President; Sissy Dawson, Secretary; Dottie DeWitt, Treasurer. Our representatives to Student Government were Bobbie Schmit and Beverly Stanard; and to Honor Court, Ann Howard.

Even though we studied (we had too), we had our fun too. Parties in the Dorm and many Bridge games, and of course, there were quite a few silent trips down to the Dorm Smoker at night.

As Spring arrived we were proud that Elena LeBel won Glamour Magazine's 'Best Dressed Girl On Campus' contest, and Perry Chappell was our representative to the May Court. With the graduation weekend upon us, we finally realized that we were going to be the graduating class for next year. Our class gave a dinner and dance for the graduates--the Seniors and Sophomores of 1958. We left each other for the summer vacation, knowing that some were not returning for the next year.

By the time Sept. rolled around, the Seniors were more than ready for the school year to begin. What they didn't have in numbers, they were only 17 strong, they certainly made up for in quality and in nearly every area of school life, they took the lead. Three of the major officers of the SGA went to Seniors: Mary Willis, President; Beverly Stanard, Vice President; and Perry Chappell, Secretary. Punch Thomas, as Honor Court Chairman, gave real meaning to that pledge; and Kathy Lore, the Vice President of A.A., made all sports twice the fun and the point system half as complicated! Kathy had help though--for instance our AA class representative was Big Dot Payne who practically threw her own heart over the net or in the basket when the big games were played. And "Dead Eye Dick" was surely outdone when Ann Davis became the Archery Manager. Then there was B. J. who just never stopped hiking and camping. Punch and her boating and swimming, and Mary Willis with her walking.

The Senior Class can certainly boast of beauty too. No one could have made a prettier May Queen than our own Perry Chappell with Elena Lebel as the Senior princess. And we know that the Shenandoah Apple Blossom Festival was better than ever this year because Bev Stanard was there representing the school.

In fact, the Seniors supported nearly every school activity. When there were dances, the seniors were there. When the Choir performed on tour, the Seniors helped to make it the biggest and most successful one ever held at SMS. At Christmas time our class won the skit contest and we were very proud and pleased that Perry Chappell was "The Spirit of Christmas."

When there was work to be done, the seniors were there. For instance, Sue Cole, our co-editor of the yearbook, has burned the candle many a night; and have you ever seen our All-Stars, Elena LeBel and Dot Payne, come panting back to the dorm after a close game?

Our class was led through the year of 1958-1959 by the class officers: Elena LeBell, President; Diane Lawrence, Vice President; Phyllis Smith, Secretary; and Betey Green, Treasurer. However, we have three girls who will lead the way to the altar to receive their MRS degrees: Phyllis Smith, Carol, and Dot.

All in all, our class has had a wonderful two short years at SMS and are very sad in leaving, but we are all looking forward to coming back. Before we leave, however, we, as a class, want to wish the incoming Senior Class of 1960 the best of luck in everything next year!

Our class had its beginning on a humid, overcast day in September, 1957. After we took our placement tests the orientation committee gave us a royal welcome with the usual P. J. party and picnic. The Fahls sponsored us, and we were the liveliest class in school. In intramurals we were known as the "Mighty Mistakes." We fought hard to win, but we were a small class. There were sixteen of us in all. Two were foreign students: Sara Carbia, from Puerto Rico, and Michia Iszkowski from France. We organized officially into one body when we elected our officers: Enid Griffin, President, Betty Baker, Vice President, Jerry Allen, Secretary, and Susan Claggett, Treasurer. Sandy Osteen was appointed to Honor Court, and Betty Baker was elected to Council.

Time passed quickly and the Freshman Class had its glory duly given when they won the Christmas skit, sold the most Christmas seals, came in second in the Dramatic Arts Contest, and sent two of their best language students, Enid Griffin and Aleda Bunch, to the state-wide French tests. Aleda also had one of the leading roles in the fall play, OUR TOWN. Although we worked hard in school we had our fun too, especially the time our chemistry lab experiment on tooth paste blew up. Peggy Ward and Jerry Allen gained us more fame on the Women's Basketball Varsity. Jerry was also on the Tennis Varsity. Sandy Osteen and Kay Johnson were cheerleaders, and later they were elected to carry on next year's squad. In February Adele Hedges joined our class.

Spring was ushered in with Pageant, May Day and the Prom. Our representative to the May Court was Kay Johnson. Peach Leighton played the starring role in the Choir's operetta, "Girls Will Be Girls." She and Kay also took part in the recital. When election time rolled around we elected Jerry Allen Treasurer of S.G.A. and Susan Claggett Treasurer of the A.A. Board. At the graduation ceremonies Sandy Osteen was awarded the Good Manners Award that is given to one Freshman every year, and Susan Claggett was awarded the American Legion Medal for making outstanding progress in science. We said good-bye to our French classmate, Michia, and we all looked forward to meeting again next year.

Our class met again in September. Then we started into another year by greeting the ten new members of our class and putting our little sisses through the paces of Rat Week. The previously chosen officers began organizing for our busy year. They were Betty Baker, President, Enid Griffin, Vice President, Adele Hedges, Secretary, and Susan Claggett, Treasurer. This year we decided to stay healthy and elect Miss Chance, the school nurse, as our sponsor.

We were well represented on the All-Star Volleyball Team by Sandy Osteen and Peggy Ward. Varsity basketball held the attention of our stars: Adele Hedges, Susan Claggett, Mindy Hopton, and Peggy Ward. Karen Gran worked very hard on the decorations for the school and the Christmas Banquet. Our class helped to present one of the biggest and most successful bazaars ever held at S.M.S. This year our jolly classmate, Ooggie Wetherill, was Santa Claus for the school. Sara danced and Peach play the piano for various entertaining activities throughout the year. When second semester started, our class not only dropped Sociology for Economics but we dropped our English teacher too. Karen was the accompanist for the choir soloists and the octet which Kay and Ooggie took part in. When the Dramatics Department put on its three one-act plays, Adele and Aleda represented our class in "When Shakespeare's Ladies Meet."

Susanne Orme and Enid Griffin were elected from our class to the S.G.A., and Mindy Hopton was appointed to Honor Court.

The editor of the SIGNAL NEWS was Joan Carver, and Ooggie was co-editor for the CASTELLAN. Our representatives to the May Court this year were Susan Claggett and Sandy Osteen. The class superlatives are Karen Gran, most talented, Peggy Ward, most athletic, Betty Baker, most likely to succeed, and Ooggie Wetherill, best personality, most popular, and best all-round.

This year some of us have learned many new things while others have gained from the knowledge of our fellow classmates. Kay and Sandy have taught us poise and manners. Enid, Karen, and Dianna, have learned to appreciate the local boys. Rutberg told us all there is to know about New Jersey. From their midnight parties, Joan, Susan, Adele, Peggy, and Sara Carbia have learned to be gracious hostesses. Peper taught us how to live with bow legs, and Aleda learned to keep a straight face while saying dramatic lines. Peach, Carol, Houser, Orme, and Betty Short know all about the boys from the Base, but Mickie is getting her M.R.S. degree in Navy life. Mindy and Ooggie learned to get into trouble as fast as they got out of it.

But all in all we have had a wonderful time at S.M.S. We would like to give our greatest appreciation and thanks to our teachers, big sisses, parents, and everyone else that helped to make these years so successful and happy.
